

Murray Winter Feis Blackout

FAQ

As you may or may not know, the Murray Winter Feis is a black-out themed feis.

Below are some commonly asked questions

Is wearing black out mandated? NO! We love this feis because it is a relaxed, no muss no fuss event. We want to keep it fun and stress free, which is why it is black out encouraged, but you can also wear your dress if you choose.

What does black out mean? For girls it means a black leotard (lace or plain), or a black t-shirt (no lettering or graphics). A black skirt or skort; black tights OR poodle socks. For boys it means a black button down shirt or t-shirt (no graphics or lettering), and long black pants.

Can I wear buckles, jewelry or a wig? Buckles and jewelry are optional but we do encourage you leave your wigs and headpieces at home. Hair should be pulled neatly off the face
